All Astorians who visit Portland and desire spending a pleasant evening in company with polite people and in the enjoyment of an unexcelled musical program, should go to the Fredericksburg. Besides vocal and instrumental selections there are many other attractions to delight the visitors. The new management is making the Fredericksburg a well-merited success. BROWN & GRANT, Props.

At the meeting of the Sunday school board of the M. E. church last evening Mrs. Samuel Elmore was elected superintendent and Miss Carrie Bozarth organist. It has been decided that in the future the hour for Sunday school services be changed from the noon hour to 10 a. m., immediately before the church service.

The ex-volunteers of the 2nd Oregon Regiment organized at Portland last night. Several hundred members were present. The object of the organization is not to secure pensions or "work politics," but to help each other, look after the sick, aid the motumfund and arrange for suitably receiving the bodies of the boys who died in the Philippines.

While the local football team is of course rather sorry that they were defeated in their late game with the Portland high school, the players are not at all discouraged as to the future prospects. It is the intention of the team to get in and hustle and eventually make the fur fly. This defeat, like many recorded in history, might in the end prove more valuable than a victory.

The boiler of the lighthouse tender Columbine was yesterday discovered to be in a leaking condition and steam was at once blown off preparatory for the repairs that will take place. This will necessitate a delay of the trip the vessel was about to take to the Coos bay country. The delay will be brief however, as the injury is slight. Superintendent Freeman will accompany the vessel on her southern cruise.

There was a shooting accident on Rhosivater bay Saturday which will probably result in Earl Howerton, of Ilwaco, losing the sight of his right eye. The injured boy and his friend, Jessie Bullock, were hunting when the gun in young Bullock's hands was discharged, a shot piercing Howerton's eye. He was brought over from Ilwaco Sunday and will be taken to Portland where everything possible will be done for his relief.

Misled by the name, and by the fact that it is a Southern play, an impression prevails that "A Romance of Coon Hollow," which appears at Fisher's opera house tomorrow evening, is a negro show. This is a great mistake, as the entire cast is composed of well-known white artists of standing, and the colored buck dancers and jubilee singers are simply introduced in their plantation scenes to illustrate negro life in the South, but have no relation to the story of the drama. The latter is a pretty Southern love story, natural and pastoral in its treatment, and what the New York Herald styled "A Southern Old Homestead." Splendid scenic environments, novel electrical effects, laughable incidents, and specialties appropriate to the comedy, embellish as sincere a heart story as is to be seen on the stage today. Seat sale opens this morning at Griffin & Reed's.

The Progressive Association met in regular session last evening with Vice-President F. L. Parker in the chair. After the reading of the journal of the previous meeting a communication was read from the Prescott Packing Company. As fish are shipped in larger quantities from Astoria than from Portland, the Push club some time ago requested the company to paint "from Astoria" as well as "from Portland" on their cans. The communication read last night stated that the cans were now all in active operation and it would be impossible at the present time to take them out of service and repaint them which it would be necessary to do in order to incorporate the words with those already existing on them. The letter stated however, that the company would follow out the wishes of the association as soon as practicable. The congressional delegation will be communicated with in regard to the proposed drydock and C. W. Fulton, W. W. Goslin and John Fox were appointed as a committee to further the project. W. L. Robb gave an interesting account of the trip to the hatchery. R. M. Warden spoke in favor of the 3-roads petition.

AT REST. The Funeral of Dr. A. L. Fulton Yesterday. Flags flew at half mast in Astoria yesterday—a mute tribute to the memory of a private citizen whose life commanded universal respect and whose death caused general and poignant sorrow.

The funeral services of the late Ambrose L. Fulton were held at the family residence and were attended by a large number of prominent Astorians, besides the members of Quinin Lodge No. 188, E. P. O. E., who were in full regalia.

Rev. H. Marotte, pastor of the First Presbyterian church conducted the services which were simple and earnest. A special train bore the funeral procession to Ocean View cemetery, and after a brief service at the grave, the body was laid in its last resting place. The following gentlemen acted as pall bearers: F. I. Dunbar, H. G. Van Dusen, E. A. Taylor, F. L. Parker, George H. George, W. T. Chutter, P. A. Stokes, H. F. Prael, E. C. Hughes, W. L. Robb, G. W. Sanborn, Martin Foard.

STABBED AND ROBBED. A Trapman From Chinook Assaulted and Held Up Last Night. Last night about midnight Joe Petie, a trapman from Chinook, entered the Sunnyside saloon and announced that he had been assaulted and robbed. He

was suffering from two wounds in the head which were bleeding profusely and were evidently caused by some sharp instrument.

Petie was intoxicated at the time and his story was somewhat disjointed, but as near as could be ascertained he claimed that he was attacked by a highwayman in the neighborhood of O'Brien's hotel and robbed of his money. It is known that two hours previous he had money in his possession. The wounded man was taken to a physician for treatment and the police are looking up the case.

FOOTBALL FORECAST.

Astoria will win the Thanksgiving football game. Such is the opinion of the Astorian's crank. But our boys will not have a chance to go to sleep on the field for the Indians will give them a stubborn contest.

The result of the game at Portland Saturday in which Multnomah defeated the State University of Eugene was not unexpected, but it will rather dim the prestige of the dudes when they meet the Berkeley players at San Francisco.

Willamette University, Salem, did a surprise turn in defeating the Pacific University, Forest Grove. It was generally supposed that the Congregationalists had much the better team, but the Methodists shut them out. The

long end won in the State Agricultural college vs. Albany college game, the former winning by a score of 35 to 6.

The O. A. C. plays Willamette University next Saturday and the winner plays the State University Thanksgiving day. As the farmers defeated the Methodists handily in a practice game, they will probably win Saturday and contest with the dudes for the championship.

AN IMPORTANT DIFFERENCE.

To make it apparent to thousands, who think themselves ill, that they are not afflicted with any disease, but that the system simply needs cleansing, is to bring comfort home to their hearts, as a coddle condition is easily cured by using Syrup of Figs. Manufactured by

the California Fig Syrup Co. only, and sold by all druggists.

RUSSIA'S POWER.

The recent peace conference brings the power of the Czar of Russia forcibly to mind. His subjects look to him for food, shelter, raiment, even life itself. In no country is a monarch's power more absolute. But far-reaching as its influence is it cannot be compared to that which the human stomach has over the morals and health of the average mortal. Hostetter's Stomach Bitters cures constipation, dyspepsia, biliousness, nervousness and all diseases arising from an inactive liver or weak kidneys. Try it if you have stomach trouble of any sort, and see for yourself. It will bring you back to health and happiness. It will make you strong by making your stomach strong. A private Revenue Stamp should cover the neck of the bottle.
